LOCAL AND INTEREXCHANGE TELECOMMUNICATIONS SERVICES

---

SECTION 5 – LOCAL EXCHANGE SERVICE (CONT'D.)

5.2 Local Exchange Services (Cont'd.)

5.2.1 Nonrecurring Charges

Nonrecurring charges apply to each line installed for the Customer. Nonrecurring charges are in addition to applicable service order charges contained in Section 4.1 of this tariff. All such charges will appear on the next bill following installation of the service.

A separate nonrecurring per line charge will apply where the Customer currently has service from the Incumbent LEC and requests an "As-Is" changeover of all current service(s) and features from the Incumbent LEC to the Company without any changes in such service or features. This Change Over Charge applies in lieu of the nonrecurring charges listed in the table below.

Nonrecurring charges for installation of Business lines are:

	<u>Minimum</u>	<u>Maximum</u>
First Line (incl. first jack w/wiring)	\$65.00	\$260.00
Each Additional Line (incl. jack w/wiring) <sup>(1)</sup>	\$27.50	\$110.00
Additional Jack w/wiring at time of install	\$27.50	\$110.00
Line Installation w/ no jack or wiring	\$30.00	\$120.00

<sup>(1)</sup> Additional Line installation charges apply only when 2 or more lines are installed at the same time and at the same Customer Premises.
