Long Distance Rates apply to all domestic 1+ direct dialed minutes of use. While there are plans that offer free long distance, the customer may choose to use another carrier for their long distance purposes; however, declining the Birch long distance will not reduce the package monthly rate.

Long distance is only applicable to standard outbound domestic long distance only, originating from Birch customer to the 50 US States, and US territories (Puerto Rico, Guam, USVI, No. Marianas). All other types of calls, (Operator Assisted Long Distance calls, OS/DA, International, Toll Free, Calling Card, etc.), will be rated at standard rate according to the rate tables established for the calls.

(1) Some products may include free minutes of Long Distance. Please see Local Exchange Service Section 5 of this tariff for product details. If free minutes are included, LD rate represents overage rate.
