Additional Delivery Charges and Adjustments - Continued

(H) Other Charges and Adjustments - Continued

(7) Charges for Costs of Studies

A charge will be applicable to service under this Rate Schedule to recover PASNY's allocation of costs to develop and apply a marginal cost study and electric customers' share of costs for a Climate Change Vulnerability study. The amount to be recovered under this Rate Schedule will be based on the PASNY Allocation.

(8) Costs and Incentives Associated With Non-Wires Alternatives ("NWAs")

A charge will be applicable to service under this Rate Schedule to recover PASNY's allocation of costs for implementation of NWAs (adjusted for the carrying charge of any displaced capital project reflected in the Average Electric Plant in Service Balance that would otherwise be deferred for customer benefit), plus PASNY's allocation of NWA incentives earned by the Company. The amount to be recovered under this Rate Schedule will be based on the PASNY Allocation.

(9) Recovery of Bill Credits to Export-only Customers

A charge will be applicable to service under this Rate Schedule to recover PASNY's allocation of the cost of bill credits provided to export-only customers pursuant to Special Provision I of SC 11 of the Schedule for Electricity. The amount to be recovered under this Rate Schedule will be based on the PASNY Allocation.

(10) Statement of Other Charges and Adjustments

The amount to be charged for each of the above items will be separately shown on the Statement of Other Charges and Adjustments ("OTH Statement") filed with the Public Service Commission, apart from this Rate Schedule. Unless otherwise directed by the Commission, the Company will file OTH Statements no less than three days before their effective date.
