##### II. Customer Requirements and Eligibility (Cont'd)

- 3) If a project is unable to meet the in-service date of December 31, 2017, and meets the following criteria and conditions, the project shall be allowed to retain monetary crediting:
  - a) the customer has provided payment, prior to March 1, 2016, for a Coordinated Electric System Interconnection Review (CESIR) study;
  - b) the customer has demonstrated that, upon receipt of the CESIR study results, the estimated construction schedule indicates a final authorization to interconnect on or after July 1, 2017;
  - c) the customer has made payment, of the full or at least the first installment amount, for the estimated interconnection costs necessary to support the project, by January 31, 2017; and,
  - d) the customer has, by November 30, 2017, submitted an affidavit from the engineer of record for the project, attesting that substantially all of the equipment on the end-use customer's side of interconnection point has been physically constructed and that the only remaining requirements to interconnect the equipment depend upon the Company, such as Company construction and/or authorization to interconnect.
- 4) Monetary credits shall remain in effect for a term of 25 years from the later of: April 17, 2015 or the project in-service date.
