## 6.1 Switched Outbound Service

Switched Outbound Service is designed for outbound calling. Calls are billed in six (6) second increments. The minimum call duration for billing purposes is six (6) seconds. No minimum commitment is required. Based on a Customer's international calling patterns, a Customer may choose between two (2) calling plans for Switched Outbound Service. In addition Customers subscribing to Plan 1 or 2 under a term agreement with the Company receive a ten percent (10%) discount off of the Company's standard rates. Calls originate from Customer-provided standard business or residential switched access lines. Calls are billed in six (6) second increments. The minimum call duration is six (6) seconds.
