SECTION 6 - SWITCHED ACCESS SERVICES (CONT'D)

6.1 Switched Outbound Service (Cont'd)

6.1.1 Switched Inbound Service

Switched Inbound Service is available for incoming calls to business and residential Customers. Calls originate from any interstate or intrastate location over an 800 number and terminate to a Customer-provided residential or business switched access line. Call charges are billed to the Subscriber rather than to the originating caller. Based on a Customers international calling patterns, a Customer may choose between two (2) calling plans for Switched Inbound Service. In addition Customers subscribing to Plan 1 or 2 under a term agreement with the Company receive a ten percent (10%) discount off of the Company's standard rates. Calls are billed in six (6) second increments. The minimum call duration for billing purposes is thirty (30) seconds.

Thirty (30) second minimum and six (6) second additional usage billing.
