Superseding Revision: 0

SECTION 2 – SERVICECHARGES

A. SERVICE CHARGES (cont'd)

2. Definitions (cont'd)

I. Subsequent Order Charge

1. A Subsequent Order charge applies for work performed by the Company in connection with receiving, recording and processing of customer requests when only change in Company records are involved.
2. A Subsequent Order Charge does not apply to an order placed at the same time in which a Service Order Charge applies. One charge applies for all records changed, if ordered at one time for the same customer at the same premises.
3. Subsequent Order Charges apply to the following:
 - Addition of directory listings;
 - Change in listed name, except changes resulting from death, change of marital status or court order;
 - Change of address, except deletions or partial omissions;
 - Change to or from Dual Name Listing;
 - Change of billing party;
 - Request to provision WATS Message Detail to business customers;
 - Requests to establish Dial-A-Visit and Special Billing Detail
