**SERVICE CLASSIFICATION NO. 8** (Cont'd)

**INTERRUPTIBLE RATE** (Cont'd)

**SPECIAL PROVISIONS** (Cont'd)

- 8.8 If the Customer experiences unanticipated problems when attempting to curtail usage during either an actual curtailment, the annual announced system curtailment or an unannounced curtailment test, the Company, at its sole discretion, may waive the curtailment charge for a period up to four (4) hours as a result of equipment failure as long as the Customer provides the Company with supporting documentation. Penalties will not be waived for Customers that fail to meet the minimum fuel requirements.
- 8.9 Effective January 1, 2017, the Company will implement daily communication with each specific customer facility location via email, mobile text messages, fax or phone call, as soon as weather forecasts project outside temperatures to be 20 degrees or below for the upcoming three consecutive days or during times when three days of consecutive customer curtailments occur. Additionally, the Company will contact each specific customer facility location at the end of every curtailment to remind Customers to replenish alternate fuel inventories as needed to maintain minimum levels.
