## ACCESS SERVICES

### 2. REGULATIONS (Cont.)

#### 2.3 Obligations of the Customer (Cont.)

##### 2.3.3 Jurisdictional Reporting (Cont.)

##### 2.3.3.4 Identification and Rating of VoIP-PSTN Traffic (Cont.)

##### 2.3.3.4.4 Initial PVU Factor and PVU Factor Changes

2.3.3.4.4.1 If the PVU factor for the period from December 29, 2011 to July 12, 2012, is not available and/or cannot be implemented in Verizon Access' billing systems by December 29, 2011, once that factor is available and can be implemented Verizon Access will adjust the customer's bills to reflect that PVU retroactively to December 29, 2011. In calculating the initial PVU, to be applied from December 29, 2011 to July 12, 2012, Verizon Access will take the customer-specified PVU-C into account retroactively to December 29, 2011, *provided that* the customer provides the factor to the Company no later than April 15, 2012.

2.3.3.4.4.2 The customer may submit an updated factor quarterly using the methodology set forth in subsection 2.3.3.4.3.1 or 2.3.3.4.3.2, above, as applicable. If the customer chooses to submit such updates, it shall forward to Verizon Access, no later than 15 days after the first day of January, April, July and/or October of each year, a revised PVU-C factor based on data for the prior three months, ending the last day of December, March, June and September, respectively. Verizon Access will use the revised PVU-C to calculate a revised PVU. The revised PVU factor will apply prospectively and serve as the basis for billing until superseded by a new PVU.

##### 2.3.3.4.5 PVU Factor Verification

Not more than twice in any year, Verizon Access may ask the customer to verify the PVU-C factor furnished to Verizon Access and customer may ask Verizon Access to verify the PVU-V factor and the calculation of the PVU factor. The party so requested shall comply, and shall reasonably provide the records and other information used to determine the respective PVU-C and PVU-V factors.
