

SECTION 5 - SUPPLEMENTAL SERVICES (cont'd)

5.9 STAND ALONE VOICE MAIL SERVICE

5.9.1 Description

Stand Alone Voice Mail Service is offered to a customer when a physical Service Line is not necessary. The customer must access Voice Mail through the use of other network access service provided by the Company or other telecommunications common carriers. Such access, including applicable local usage and toll charges, is the responsibility of the Voice Mail Service customer. Voice mail that is offered in conjunction with line-based service is offered pursuant to the terms specified in the applicable section of this tariff pertaining to the associated line-based service.

5.9.2 Recurring and Nonrecurring Charges

In addition to the nonrecurring charges listed below, service order charges apply per main billing account as described in Section 3 of this tariff. Service is offered on a month to month basis or the customer may choose to commit to a minimum service term of twelve months. A twelve month service term is billed in advance. Service will automatically renew at the end of each twelve month term. Renewal charges will be billed in the eleventh month of the term. Twelve month service will be automatically converted to month to month service if the recurring charge is not paid by the end of the first full month of the new service term. Service may be canceled at any time prior to the first month of the new service term.
