6.0 CATEGORY 2 SUPPLEMENTAL SERVICES

6.1 CENTRAL OFFICE FEATURES

6.1.1 General

The features in this section are made available on an individual basis or as part of multiple feature packages. All features are provided subject to availability; features may not be available with all classes of service. Transmission levels may not be sufficient in all cases. Custom Calling Features are optional features of central office services furnished to individual line end users. The Company may furnish Custom Calling Features where there is available central office equipment with the proper program updates as determined by the Company. Custom Calling Features are only provided for basic access line services. The Customer will be billed a Service Order charge for each change or set-up of each occurrence a feature or group of features is added to the Customer's service.

The Company offers the ability to subscribe to various Custom Calling Feature Packages.

6.1.2 Description of Features

Anonymous Call Rejection - Allows a Customer to redirect incoming calls for which calling name and number display has been suppressed through the use of blocking to an announcement indicating that the Customer is not presently accepting calls. This feature is provided automatically to Customers subscribing to Caller ID, Caller ID with Name, Call Waiting ID, and Call Waiting ID with Name and will be provided in the inactive state and will have no effect on the Customer's telephone service until the Customer activates it by dialing a code.

Speed Dial 8 - Allows placing calls to eight (8) other phone numbers by dialing a one or two digit code rather than the complete phone number.

Speed Dial 30 - Allows placing calls to thirty (30) other phone numbers by dialing a one or two digit code rather than the complete phone number.
