7.0 CATEGORY 2 LOCAL CALLING AREAS AND CHARGES BASED ON TIME

7.1 LOCAL SERVICES – USAGE BASED

7.1.1 Rates and Charges and Time Periods

Usage charges are based on usage used or billed on the Company's network. Chargeable time for the Customer shall begin when the called party answers and shall end upon disconnection by either party. Calls are rounded to the next higher full minute. If the computed charge includes a fraction of a cent, the fraction is rounded to the next highest cent. Calls that begin in one rate period and end in another will be charged according to the applicable period for each portion of the call, except for per-call rates will be charged according to the rate period the call begins.

7.1.2 Local Calling

Local Services - This section contains a general description of the services offered by the Company and the rates and charges applicable to each such service. The Company provides switched, telephonic-quality voice and data transmission services that enable Customers and Authorized Users to communicate on a real-time basis between points within local exchange service areas in the State of New York, as well as ancillary services that facilitate the use or expand the capabilities of switched communications services. Services will be provided through the use of the Company's switches, through the use of Unbundled Network Elements ("UNEs"), Resold Services and through the use of Company Facilities.
