GENERAL RULES

24. Service Classification Riders (Available on Request) - Continued

RIDER U – DISTRIBUTION LOAD RELIEF PROGRAM

Applicable to SCs 1, 2, 8, 9, 11, 12, 13, and 15
(Subject to the provisions thereof)

A. Applicability

To any Full Service or Retail Access Customer taking service under one of the above SCs, including Customers taking Standby Service; to any PASNY Customer; and to any Aggregator that meets the requirements of this Rider.

B. Contracting for Distribution Load Relief Program Service

There are two options under this Rider under which a Direct Participant or Aggregator may contract to provide Load Relief during Load Relief Periods designated by the Company: the Voluntary Participation Option and the Reservation Payment Option. This Rider is applicable to Direct Participants and Aggregators who agree in writing to provide, either on a Voluntary Participation or Reservation Payment Option, Load Relief in a network when the Company designates a Contingency or Immediate Event during a Capability Period.

A Direct Participant must contract to provide at least 50 kW of Load Relief. An Aggregator must contract to provide at least 100 kW of Load Relief.

If other requirements for service under this Rider are met, Electric Generating Equipment may be used to participate under this Rider subject to the provisions set forth in section F below. The participating Direct Participant or Aggregator is responsible for determining that the operation of generating equipment under this Rider will be in conformance with any governmental limitations on operation.
