a. Reservation Payments - Continued

- iii. The Company may make payments for participation in one or more networks in need of Load Relief after conducting Requests for Proposals for such networks. The payment amount will be determined based on alternative relief measures and will be filed by the Company with the Public Service Commission on the “Statement of Rider S Payments for Specified Networks,” apart from this Rate Schedule, no less than 30 days before the Statement’s effective date. Such Statement will identify each network for which an additional payment will be made, the payment amount per kW for participation in that network, and the dates such payments are to be in effect.

b. Payment for Participation during Unplanned Events

A Direct Participant or Aggregator will receive payment for performance during each Unplanned Event, provided the Company can verify that the Direct Participant or Aggregator provided Load Relief in the specified network.

The payment rate is equal to \$6.00 per kWh for a Load Relief Period in which Load Relief was provided for each hour during the Load Relief Period. This payment is not available to Rider U participants who receive payment for energy during concurrent Load Relief hours.
