(E) PVU Factor Updates

The customer may update their factor quarterly using the method set forth in subsection (C) (1), above. If the customer chooses to submit such updates, it shall forward to the company, no later than 15 days after the first day of January, April, July and/or October of each year, a revised customer factor based on data for the prior three months, ending the last day of December, March, June and September, respectively. The Company will use the revised customer factor to calculate a revised PVU. The revised PVU factor will apply respectively and serve as the basis for billing until superseded by a new PVU.
