4.4 Local Exchange Service

4.4.1 General

The Company offers Basic Local Service to customers seeking basic local exchange services. Voice Mail and other Custom Calling Features are available to Basic Local Service customers by selecting such services a la carte.

The Company provides Customers with the option of obtaining a Primary Line and Secondary Line per account:

A. Primary Line

The initial local exchange access line per account.

B. Secondary Line

The second or additional local exchange access line, billed to the same address as the Primary Line, the Secondary Line will share the monthly call allowance with the Primary Line. The Secondary Line does not automatically include or share any Custom Calling Features. Feature Packages may be purchased separately.

Should a Customer with both lines opt to disconnect the Primary Line, the remaining Secondary Line will automatically convert to a Primary Line with all features and functionality of such, and at the Primary Line monthly recurring rate.
