

SECTION 1.0 - DEFINITIONS

Access Line - An arrangement from a local exchange telephone company or other common carrier, using either dedicated or switched access, which connects a Customer's location to Carrier's location or switching center.

Account - A Company accounting category containing up to two (2) residential local exchange access lines billed to the same Customer at the same address. The second or non-primary local exchange access line will share any call allowance and features of the primary local exchange access line. The second or non-primary local exchange access line therefore will not be provisioned to include a separate call allowance structure. No features are included with the second or non-primary local exchange access line.

Account Codes - Permits Centrex stations and attendants to dial an account code number of up to eight digits. For use when placing calls over facilities arranged for Automatic Message Accounting (AMA) recording. The account or project number must be input prior to dialing the called number.

Advance Payment - Part of all of a payment required before the start of service.

ALEC, LLC d/b/a ALEC Telecom, LLC - ALEC, LLC d/b/a ALEC Telecom, LLC, issuer of this tariff.

Authorization Code - A numerical code, one or more of which may be assigned to a Customer, to enable Carrier to identify the origin of service of the Customer so it may rate and bill the call. All authorization codes shall be the sole property of Carrier and no Customer shall have any property or other right or interest in the use of any particular authorization code. Automatic numbering identification (ANI) may be used as or in connection with the authorization code.

Authorized User - A person, firm, or corporation authorized by the Customer to be an end-user of the service of the Customer.

Automatic Numbering Identification (ANI) - A type of signaling provided by a local exchange telephone company which automatically identifies the local exchange line from which a call originates.

Commission - New York State Public Service Commission.

Common Carrier - An authorized company or entity providing telecommunications services to the public.

Company - ALEC, LLC d/b/a ALEC Telecom, LLC, the issuer of this tariff.

Customer - The person, firm or corporation that orders service and is responsible for the payment of charges and compliance with the terms and conditions of this tariff.
