**GENERAL INFORMATION - Continued****III. General Rules, Regulations, Terms and Conditions under Which Gas Service Will Be Supplied, Applicable to and Made a Part of All Agreements for Gas Service - Continued****14. Gas Service Curtailments - Continued****(C) - Continued**

Within Category 8 Customers shall generally be curtailed in reverse order of their revenue contribution and after factoring in the human needs criterion.

**(D)** The following provisions shall govern curtailments and notices of curtailment of sales and transportation services resulting from a deficiency of capacity in gas transmission lines that are owned by the Company or that the Company has a contractual right to use (other than interstate pipeline transmission lines).

- (1) In the event of a transportation-capacity deficiency, curtailments and notices of curtailments will normally be made according to the following priorities to the extent permitted by operating feasibility, with Priority (2) being curtailed before Priority (1):
  - (a) **Priority 1:** All firm sales and firm transportation services to Customers with dual-fuel or alternate energy facilities and off-peak firm sales and transportation services, including firm and off-peak firm intra-Company transfers; and non-tariff firm and off-peak firm sales and transportation services;
  - (b) **Priority 2:** Interruptible sales and transportation services including: interruptible Customers; interruptible intra-Company transfers; non-tariff interruptible sales and transportation with plant protection requirements assigned the highest priority.
