SERVICE CLASSIFICATION NO. 3 (Continued)

D. Other Charges and Credits

Reference General Information, Section V.

1. Outage Credit Allowance

An outage credit allowance of twenty two cents (\$0.22) per lamp per night will be provided following the customer's proper notice to the Company of the luminaire malfunction (outage). The outage credit allowance will be provided for the period following the date of proper Company notice until the date the facility is operating. Reference General Information, Section V.

2. Lighting Service Charge

Reference General Information, Section V.

Lighting Service Charge, per occurrence

\$129.15

3. Convenience Outlet Charge - CLOSED OFFERING

Service to convenience (festoon) receptacle outlets under this Service Classification is closed to new applications. The company will honor existing convenience (festoon) receptacle outlet service, located on existing lighting facilities or wood poles, per the written request of the customer for the purpose of providing auxiliary, unmetered, 120VAC electric service. The customer of record for this service classification is the responsible party for energy (kWh) used through the convenience outlet(s) and is billed separately under an appropriate service classification as provided within the Company's Electric Tariff.

4. Relocation of Existing Facilities

Pole replacements necessitated by the attachment of customer's street lighting equipment (make ready work) shall be performed by Company or joint owner at customer's expense. Reference General Information, Section V.

E. Increase in Rates and Charges

Reference General Information, Section IV.

DETERMINATION OF BILLING:

Reference General Information, Section IV.

A. MINIMUM CHARGE:

The application of charges as defined under RATE for the duration of the unexpired term, utilizing the billing quantities effective at the time of termination notice, plus any balance due for service rendered. Reference General Information, Section IV.
