GENERAL INFORMATION

2. Submetering: (Cont'd)

Submetered Multi-unit Residential Premises (Cont'd)

(c) Assisted Living and Senior Living Facilities

1. Assisted Living and Senior Living Facilities may be exempted from residential individual metering requirements if they meet all of the following criteria:

- (i) The applicant shall submit sufficient documentation to enable the Company to determine the applicant's eligibility as an Assisted Living or Senior Living Facility.
 - (aa) An Assisted Living Facility is a multi-unit residential premises, identified as assisted living facilities and certified by the NYS Department of Health.
 - (bb) A Senior Living Facility is a multi-unit residential premises in which energy-efficient housing or other services are provided, and will be provided in the future, to resident senior citizens.
 - (ii) The Company will inform the applicant if such documentation is insufficient to determine eligibility. Within 30 days of receipt of adequate documentation, the Company will notify the applicant of its eligibility or ineligibility for master metering.
2. All costs associated with a conversion to master metering shall be borne by the customer converting to master metering. Such costs will be determined in accordance with PSC No. 119, Rule 6, Charges for Special Services.

3. Assisted Living and Senior Living Facilities that no longer meet the above criteria or desire to convert to a different use shall no longer be exempt from individual metering requirements and shall either convert to individual metering or petition the PSC for approval of an alternative means of receiving electric service.

(d) Campgrounds, Recreational Trailer Parks, Marinas, and Parking Facilities

Electric service may be provided to the facility owner or operator of campgrounds, recreational trailer parks, marinas and parking facilities for redistribution to individual campsites, trailer, boat hookups, or plug-in electric vehicle charging stations with or without submetering. Master metering and submetering, at the facility owner's or operator's option, may be installed and used for billing without PSC approval and are not subject to submetering service conditions.

(3) Submetering in Master-metered Residential Cooperatives and Condominiums

Master-metering with submetering in residential cooperatives or condominiums shall be authorized:

- (a) after filing a Notice of Intent to Submeter which includes the information, descriptions, plans, forms, certifications, and other materials and representations specified for such Notices in 16 NYCRR 96.5;
- (b) after individual notices to owners or shareholders are provided pursuant to 16 NYCRR 96.3(c); and
- (c) upon the PSC's determination and order approving such submetering as in the public interest and consistent with the provision of safe and adequate electric service to residents.
