Effective Date: April 6, 2013

Section 1
Leaf No. 11
Revision: 1
Superseding Revision: 0

SECTION 1 - GENERAL INFORMATION

1.5 APPLICATION OF TARIFF

This Tariff applies to intrastate Message Telecommunications Service furnished by the AT&T Communications of New York, Inc., hereinafter referred to as the Company.

1.6 AVAILABILITY

Service is furnished subject to the availability of the service components required. The Company will determine which of those components shall be used and make modifications to those components at its option. "Service components" shall include, but not be limited to, the existence of access and/or billing arrangements on an originating and/or terminating basis. In the absence of access arrangements between the Company and the access provider at a particular Station, a customer may be unable to place calls from or to the affected Station.

Service will be provided where facilities and billing capability are available.
