---

**SECTION 2**  
**RULES AND REGULATIONS**

**2.4 Use of Service (continued)**

**2.4.3** Service furnished by the Company may be arranged for joint use or authorized use. The joint user or Authorized User will be permitted to use such Service in the same manner as the Customer, but subject to the following:

- (A) One joint user or Authorized User must be designated as the Customer. The designated Customer does not necessarily have to have communications requirements of its own. The Customer must specifically name all joint users or Authorized Users in the application for Service. Service orders which involve the start, rearrangement, or discontinuance of joint use or authorized use Service will be accepted by the Company only from that Customer and will be subject to all regulations of this Tariff.
- (B) All charges for the Service will be computed as if the Service were to be billed to one Customer. The joint user or Authorized User which has been designated as the Customer will be billed for all components of the Service and will be responsible for all payments to the Company. In the event that the designated Customer fails to pay the Company, each joint user or Authorized User will be liable to the Company for all charges incurred as a result of its use of Service(s). Each joint or Authorized User must submit to the designated Customer a letter accepting contingent liability for its portion of all charges billed by the Company to the designated Customer. This letter must also specify that the joint or Authorized User understands that the company will receive a copy of the guaranty from the designated Customer. The Customer will be responsible for allocating charges to each joint user or Authorized User.
