INTEREXCHANGE SERVICE TARIFF

---

**SECTION 2**  
**RULES AND REGULATIONS**

**2.16 Agreements, Proposals, and Warranties**

**2.16.1** The applicable terms, rates, and conditions specified in this Tariff, before or after subscription, constitute the only agreement between the parties with respect to Service(s) to which the Customer has subscribed, or desires to subscribe. Statements (whether written or oral) may have been made about the Service(s) specified in this Tariff. Such statements, however, do not constitute warranties, shall not be relied upon by the Customer, and are not part of the parties' relationship. All prior agreements, proposals, representations, or understandings concerning the Service(s) are also deemed superseded upon the Customer's subscription. The applicable Tariff sections constitute the complete and exclusive expression of the parties' relationship. These Tariff provisions may only be modified by: (1) a subsequent Tariff filing; or (2) a written agreement, signed by an authorized Company representative, which identifies both the Tariff provisions being modified or superseded, if applicable, and the specific nature of the change.

**2.16.2** All implied warranties, including the implied warranty of merchantability, are disclaimed. The Company does not warrant that the Service(s) are fit for the particular purpose of the Customer. The Company makes no warranties with respect to the Service(s) other than the Service(s) will conform to the description contained in the Tariff. Further Company liability will be such as described in Section 2.3 of this Tariff.

**2.17 Lost or Stolen Card or PIN**

Upon knowledge of facts which would alert a reasonable person to the possibility of unauthorized use of the Customer's travel card or PIN, the Customer will alert and give notice to the Company of such facts. Upon receipt of notice, the Company will deactivate the PIN associated with the card. If requested by the Customer, a new PIN will be issued to the Customer. The Customer will be excused from liability only with respect to unauthorized calls placed after receipt of such notice by the Company.
