- (B) Customers may be required to enter into written Service Orders which will contain or reference the name of the Customer, a specific description of the Service ordered, the rates to be charged, and the duration of the Services. Customers will also be required to execute any other documents as may be requested by the Company.
- (C) Except as otherwise stated in the Tariff or by Contract, at the expiration of the initial term specified in the applicable Service Order, or in any extension thereof, Service shall continue on a month to month basis at the then current Tariff rates until Terminated by either party. The Company and Customer may agree that the Service shall automatically renew for the term of the initial Contract. Any Termination shall not relieve Customer of its obligation to pay any charges incurred under the Service Order and this Tariff prior to Termination. The rights and obligations that by their nature extend beyond the Termination of the term of the Service Order shall survive such Termination.
- (D) Another provider of telecommunications service must not interfere with the right of any person or entity to obtain Service directly from the Company. The Customer is prohibited from reselling the Company's Services unless done in compliance with state and federal laws, rules and regulations.
