2.13.4 Rates

Rates for CFA are based upon the time required to collect the circuit path data. The company will give the customer a good faith estimate of the time period needed to perform the requested service. The customer will be billed those charges, along with the tariff charges established by any connecting carrier for the service.

	Minimum	Maximum
Per Hour	\$120.00	\$400.00

2.14 Miscellaneous

2.14.1 Special Conditions or Requirements

Where special conditions or special requirements of a Customer involve unusual construction or installation cost, the Customer may be required to pay a reasonable proportion of such costs or expense.

2.14.2 Transfer and Assignments

Customer may not assign or transfer its rights or duties in connection with the Services and facilities provided by the Company without the written consent of the Company and payment of the applicable charges.

2.14.3 Notices and Communications

- (A) The Customer and the Company will designate on the Service Order an address to which mail or notices and other communications may be delivered, except that Company may designate a separate address on each bill for Service to which the Customer will mail payment on that bill.
- (B) All notices or other communications required to be given pursuant to this Tariff will be in writing, unless otherwise provided.
- (C) The Company or the Customer will advise the other party of any changes to the addresses designated for notices, other communications or billing, by following the procedures for giving notice set forth herein.
