INTRASTATE COMMUNICATIONS SERVICES TARIFF

SECTION 2 - REGULATIONS, (CONT'D.)

2.6 Termination or Denial of Service by Carrier

2.6.1 The Carrier may immediately and without notice to the Customer, without liability of any nature, temporarily deny, terminate, or suspend service to any Customer (i) in the event such Customer or his agent willfully damages Carrier's equipment; interferes with use of Carrier's service by other Customers of the Carrier; unreasonably places capacity demands upon Carrier's facilities or service; or violates any statute or provision of law, or any rule or regulation of any state or federal regulatory agency relating to communications, or otherwise fails to comply with the provisions of this tariff or applicable law, or (ii) in the event a Customer other than a Customer receiving service from the Carrier through a Shared Tenant Services arrangement owned or operated by the Carrier, becomes insolvent, is the subject of any formal legal proceeding commenced in a court involving a voluntary or involuntary petition or proceeding in bankruptcy, seeks protection or relief from creditors in a formal legal proceeding after a filing for such relief, or executes an assignment for the benefit of creditors.

2.6.2 Termination or Suspension for Nonpayment or Failure to Post a Security Deposit or Exceeding Established Line of Credit

In the event of the nonpayment of any bill rendered by the Carrier or the non-payment of any required deposit, the Carrier may terminate service until the bill rendered or the required deposit has been paid.

The Carrier shall establish a line of credit for each service. Exceeding the established line of credit may result in suspension or termination of service by the Carrier. Prior to such suspension or termination, the Carrier shall make one attempt to contact the Customer by telephone.

If service is cancelled, terminated or suspended by the Customer or the Carrier, a fee of \$15.00 will be charged to reestablish service.
