MESSAGE TELECOMMUNICATIONS SERVICES TARIFF

---

SECTION 1 - GENERAL, (CONT'D.)

1.2 Definitions

Certain terms used throughout this Tariff are defined as follows:

Access Code - A sequence of numbers that, when dialed, connect the caller to the Provider or Operator Services associated with that sequence.

Aggregator - Any person that, in the ordinary course of its operations, makes telephones available to the public or to transient users of its premises, for intrastate telephone calls using a Provider of Operator Services.

Application for Service - A standard order form which includes all pertinent billing, technical, and other descriptive information which will enable the Company to provide the Service as required.

Authorization Code - A numerical code, one or more of which may be assigned to a Customer to enable the Company to identify the origin of the user or individual users or groups of users on one account so that the Company may rate and bill the call.

Billed Party - The person or entity responsible for payment of the Company's service for an Operator Assisted Call, as follows:

- A. in the case of a Room Charge call, the Subscriber;
- B. in the case of a Calling Card or Credit Card call, the holder of the calling card or credit card used by the consumer; and
- C. in the case of a Collect or Third Party call, the person responsible for the local telephone service at the telephone number that agrees to accept charges for the call.
