SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.7 Special Services, (Cont'd.)

2.7.3 Cancellation

If a Customer orders Service requiring special facilities dedicated to the Customer's use and then cancels its order before the Service begins, before completion of any minimum Service periods associated with such special facilities, ordered by the Company or before completion of some other period mutually agreed upon by the Customer and the Company, a charge will be made to the Customer for the nonrecoverable portions of expenditures or liabilities incurred expressly on behalf of the Customer by the Company and not fully reimbursed by installation and monthly charges. If, based on such an order, any construction has either begun or been completed, but no such Service provided, the nonrecoverable cost of such construction shall be borne by the Customer.

2.8 Special Service Arrangements

Special Service Arrangements at negotiated rates may be furnished on a case-by-case basis in response to requests by Customers or potential customers. Special Service Arrangements offered under this Tariff will be provided to the Customer pursuant to contract. Unless otherwise specified, the regulations for such arrangements are in addition to the applicable regulations and prices in other sections of the Tariff. Special Service Arrangements will be made available to similarly situated Customers on a non-discriminatory basis. Such contracts will be filed with the Commission for approval. As soon as adequate demand exists for a Special Service Arrangement it will be tariffed as a generally available service.
