SECTION 3 - GENERAL CLASSIFICATION AND DESCRIPTION OF SERVICE, (CONT'D.)

3.9 800 Service

800 Service is a one-way inbound service originating on feature group facilities provided by the Company and terminating on a regular telephone line. The Customer is responsible for payment of all charges associated with such terminating calls terminated rather than the calling party. References to "800" or "1-800" are generalized to refer to any NPA that may be nationally recognized as toll-free to the calling party. Such NPA's include, but are not limited to 800 and 888.
