Leaf 15
Revision: 0
Superseding revision:

Interruption

Interruption shall mean a condition whereby the Service or a portion thereof is inoperative, beginning at the time of notice by the Customer to Company that such Service is inoperative and ending at the time of restoration.

Kpbs

Kilobits per second.

LATA (Local Access Transport Area)

A geographical area established for the provision and administration of communications Service of a local exchange company.

Local Access

Local Access means the Service between a Customer Premises and a Company designated Point-of-Presence.

Local Access Provider

Local Access Provider means an entity providing Local Access.

Local Exchange Carrier (LEC)

The local telephone utility that provides telephone exchange services.

Mbps

Megabits per second.

Multiplexing

Multiplexing, or “mixing”, is the sequential combining of lower bit rate Private Line Services onto a higher bit rate Private Line Service for more efficient facility capacity usage or vice versa.
