- 2.1.2. Any member of the general public (including any natural person or legally organized entity such as a corporation, partnership, or governmental body) is entitled to obtain Service under this Tariff, provided that the Company reserves the right to deny Service: (A) to any Customer that, in the Company's reasonable opinion, presents an undue risk of nonpayment and refuses to comply with the deposit requirements set forth in Section 2.7.3, (B) in circumstances in which the Company has reason to believe that the use of the Service would violate the provisions of this Tariff or any applicable law or if any applicable law restricts or prohibits provision of the Service, or (C) if insufficient facilities are available to provide the Service (in such cases Company shall make best efforts to accommodate the needs of all potential Customers by means of facility improvements or purchases, of capacity, if such efforts will, in the Company's opinion, provide the Company with a reasonable return on its expenditures), but only for so long as such unavailability exists.
- 2.1.3. Company, when acting at the Customer's request and as its authorized agent, will make reasonable efforts to arrange for Service requirements, such as special routing, Diversity, Alternate Access, or circuit conditioning.
