2.2.10. The Service Commitment Period for any Service shall be established by the Service Order relevant thereto and commence on the Start of Service Date. Upon expiration, each Service Commitment Period for such Service shall automatically be extended subject to written notice of termination by either Company or Customer as of a date not less than thirty (30) days after delivery of said notice to the other. The charges for Interexchange Service during any such extension shall not exceed the then current Company month-to-month charges applicable to such Service.

2.3. Liability

2.3.1. Except as provided otherwise in this Tariff, the Company shall not be liable to Customer or any other person, firm or entity for any failure of performance hereunder if such failure is due to any cause or causes beyond the reasonable control of the Company. Such causes shall include, without limitation, acts of God, fire, explosion, vandalism, cable cut, storm or other similar occurrence, any law, order, regulation, direction, action or request of the United States government or of any other government or of any civil or military authority, national emergencies, insurrections, riots, wars, strikes, lockouts or work stoppages or other labor difficulties, supplier failures, shortages, breaches or delays, or preemption of existing Services to restore service in compliance with Part 64, Subpart D, Appendix A, of the FCC's Rules and Regulations.

2.3.2. With respect to the Services contained herein and except as otherwise provided herein, the Company's liability shall not exceed an amount equal to the charge applicable to a one minute Call to the Called Station at the time the affected Call was made. If the initial minute rate is higher than the additional minute rate, the higher rate shall apply. For those Services with monthly recurring charges, the Company's liability is limited to an amount equal to the proportionate monthly recurring charges for the period during which Service was affected.

2.3.3. The Company is not liable for any act or omission of any other company or companies (including any Company affiliate that is a participating or concurring carrier) furnishing a portion of the Service or facilities, equipment, or Services associated with such Service.

2.3.4. The Customer is responsible for taking all necessary legal steps for interconnecting the Customer provided terminal equipment with the Company facilities. The Customer shall ensure that the signals emitted into the Company's network do not damage Company equipment, injure personnel or degrade Service to other Customers. The Customer is responsible for securing all licenses, permits, rights-of-way, and other arrangements necessary for such interconnection. In addition, the customer shall comply with applicable LEC signal power limitations.
