SERVICE CLASSIFICATION No. 7
Interruptible Transportation Service (Continued)
(Rate Codes: 710, 710A, 711, 720, 721, 469)

Special Provisions (continued):

1. Applicable to Interruptible Transportation for Large Volume Non-Residential Gas Customers (continued)

i) Telemetering:

If there is a Company failure of telemetering equipment, the Company will waive the penalty imbalance charge for the period. If there is a Customer failure of telecommunications associated with the telemetering equipment, the Marketer will incur the normal imbalance charges. If there is an inactive telephone line, the customer will have eight (8) weeks to remedy. In the event of any equipment malfunctions, the previous day's actual read will be deemed to be the daily actual read until the situation is corrected. If the malfunction is due to customer reasons and is not remedied after eight (8) weeks, the Customer will be returned to the applicable sales service for a minimum of twelve (12) months. The Company shall not be liable for any inaccuracies in the consumption reported if they resulted from malfunctioning telemetering equipment, telephone line problems, customers' failure to maintain customer equipment or any other reason outside the control of the Company.

j) Annual System-Wide Test:

The Company will conduct an annual system-wide test of Customers' compliance served under this Service Classification.

k) Customer Failure:

Each time the Company becomes aware that a Customer has failed to interrupt gas service when it was notified to do so, except for the permitted two therms per hour, will be considered a separate violation of the requirements of this Service Classification. The Customer will be notified of each violation. For any two violations during a winter period (November through March), including any violation during the annual system-wide test the Customer will be notified that it has violated the requirements of the tariff and the following will apply:
