(ii) Plan 2

The following terms apply to customers who choose to subscribe or renew lines to a 24-month plan under these terms.

- In the event the service is terminated by the customer prior to the completion of the current term commitment period, the customer shall be liable for an early termination charge, except as noted in Paragraph (iii) following. The amount of the early termination charge will be 35% of the monthly recurring charge(s) (MRC) excluding any promotional discounts for the line(s) being terminated multiplied by the remainder of the term in months.

For example:

Termination Charge = 35% x MRC x # of lines terminating early x remainder of term

(N)

The remainder of term will be calculated based upon the number of days left in the 24-month term divided by 30.

- End of Term Options
 - The plan will automatically renew for another 24-month term under the same terms, except that the monthly rate will be adjusted to the prevailing plan rate in effect at the time of renewal. In the event the customer terminates service within the first 30 days following automatic renewal, the Termination Liability Charge will be waived.
 - The customer may call to arrange for termination of the service or conversion to a month-to-month service at the end of the then current term. The plan will not automatically renew if the customer or the Company contacts the other to cancel within sixty (60) days before the renewal date.

Effective August 5, 2013, Foreign Exchange lines with a 24-month term will no longer be available.
