## **SECTION 1 - TERMS AND CONDITIONS (Cont'd)**

### **1.1 PRIVACY PROVISIONS (Cont'd)**

#### **B. Customer Proprietary Network Information Consent**

Company acknowledges that it has a duty, and Customer has a right, under federal and/or state law to protect the confidentiality of Customer's Customer Proprietary Network Information ("CPNI"). CPNI includes information relating to the quantity, technical configuration, type, destination, location, and amount of use of the telecommunications services Customer purchases from Company, as well as related local and toll billing information, made available to Company solely by virtue of Customer's relationship with Company. With Customer consent, Company may share Customer CPNI and other Confidential Information with agents and partners, so that all may use this information to offer Customer the full range of products and services offered by Everglades, including local, long distance, and Internet services (see [www.etny.net](http://www.etny.net)) for a description of services). Customer consents to Everglades using and disclosing Customer CPNI and Confidential Information as described above. Customer may refuse CPNI consent by notifying Everglades in writing of Customer's decision to withhold Customer's consent. Customer's consent or refusal to consent will remain valid until Customer otherwise advises Everglades, and in either case, will not affect Everglades' provision of service to Customer.
