New York P.S.C. No. 1
Effective Date: January 30, 2015

Section 4
Leaf No.: 2
Revision: 0
Superseding Revision:

INSTITUTIONAL TELECOMMUNICATIONS TARIFF

RATES

4.2 Miscellaneous Charges

The Company may assess certain fees in order to offset internal and third-party costs to provide certain services, including voice biometrics and certain billing services. The fees below are maximum charges. All calling rates and miscellaneous charges are governed by contracts with facilities served by the Company.

4.2.1 Voice Biometric Fee

Voice biometric technology is offered by the Company as an optional feature within its ITS. This technology provides verification of an Inmate's personal identification number to improve security and risk of fraud by Inmates. Where voice biometrics are installed, this charge may apply in addition to those charges specified in this tariff:

Voice biometric fee, per-call charge	\$0.25
--------------------------------------	--------

4.2.2 Bill Statement Fee for Collect Accounts

In order to partially offset increased expenses associated with billing calls via local exchange carriers, the Company reserves the right to apply a bill statement fee in each billing period in which local or long distance collect calls are billed through an End User's local exchange carrier or directly billed to the end user. This fee will be charged only once per billing period regardless of the number of calls. The fee will not apply in any billing period in which no collect calls are billed. This fee does not apply to prepaid services.

Bill Statement Fee, per month where applicable, up to	\$2.49
---	--------

4.2.3 Transaction Fees for Prepaid Accounts

As a convenience, the Company accepts various methods of payment for funding Prepaid Accounts as described in section 3.4. For funding of Prepaid Accounts by Called Parties, processing fees up to the amounts listed below may be charged in order to partially offset costs. These fees are separate from charges assessed by credit card companies to cardholders, or other payment vendors used by the End User.

Payments on-line using credit or debit card	\$7.95
Payments by phone using credit or debit card	\$7.95
Prepaid Account refunds	\$2.99
