TELECOMMUNICATIONS SERVICES TARIFF

3.0 General Rules and Regulations (Cont'd)

3.14 Special Construction and Special Arrangements (Cont'd)

3.14.2 Basis for Cost Computation

B. Annual charges including the following:

1. cost of maintenance,
2. depreciation on the estimated cost installed of any facilities provided, based on the anticipated useful service life of the facilities with an appropriate allowance for the estimated net salvage,
3. administration, taxes and uncollectible revenue on the basis of reasonable average costs for these items,
4. any other identifiable costs related to the facilities provided, and
5. an amount for return and contingencies.

3.15 Non-Routine Installation

At the Customer's request, installation and/or maintenance may be performed outside the Company's regular business hours or in hazardous locations. In such cases, charges based on cost of the actual labor, material, or other costs incurred by or charged to the Company will apply. If installation is started during regular business hours but, at the Customer's request, extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply. If the Customer reschedules an installation, additional charges may apply.
