SECTION 2 - GENERAL RULES AND REGULATIONS (Cont'd)

2.5 Payment for Service (Cont'd)

2.5.3 The customer is responsible for payment of all charges for service furnished to the customer. Charges based on actual usage during a month will be billed monthly in the month following the month in which the service was used. All fixed monthly and nonrecurring charges for services ordered will be billed monthly in advance.

2.5.4 The Company reserves the right to require from an applicant for service advance payments of fixed charges and nonrecurring charges. The advance payment will not exceed an amount equal to the nonrecurring charge(s) and one (1) month's charges for the service or facility. In addition, where special construction is involved, the advance payment may also include an amount equal to the estimated nonrecurring charges for the special construction. The advance payment will be applied to any indebtedness for the service and facilities for which the advance payment is made on the customer's initial bill.

Advanced payments for installation costs or special construction will be credited on the first bill in their entirety.

2.5.5 Late payment charges do not apply to government agencies of the State of New York. These agencies are required to make payment in accordance with the provisions of Article XI-A of the State Finance Law (Chapter 153 of the Laws of 1984).
