SECTION 2 - GENERAL RULES AND REGULATIONS (Cont'd)

2.5 Payment for Service

2.5.1 Company will bill Customer monthly, with recurring charges being billed in advance and any usage charges billed in arrears. Payment is due upon receipt by Customer and payable within twenty-two (22) days of the Bill Date (the "Due Date").

2.5.2 Payments are past due if not received by the Company by the Due Date. Any amounts past due will be subject to a late payment charge accruing at the rate of 1-1/2% per month until paid. In addition, bills not paid within thirty (30) days of the Bill Date and which have not been disputed in accordance with the procedures set forth in Section 2.7 of this tariff, may result in suspension of access privileges to Company's collocate facility if Customer is collocated until the full amount of the bill is paid. Bills not paid within forty (40) days of the Bill Date and which have not been disputed in accordance with the procedures set forth in Section 2.7 of this tariff, may result in suspension of service until the overdue payments and any additional charges that may be imposed to restore service have been paid. Customer agrees to pay all costs incurred by Company in collecting any unpaid amounts, including attorneys' fees. Failure of the Customer to pay all undisputed amounts by the Due Date is a material breach and a seven (7) day notice shall be required in order to terminate services hereunder for non-payment.
