## **SECTION 2 - GENERAL RULES AND REGULATIONS (Cont'd)**

### **2.4 Application for Service**

#### **2.4.1 Minimum Contract Period**

- 2.4.1.1 Except as otherwise provided, the minimum contract period is one (1) month for all services furnished. However, if a new customer notifies the Company within twenty (20) days after receipt of the first bill that certain services or equipment are not desired, the Company will delete such services or equipment from the customer's account without a record keeping or service ordering charge. The customer nonetheless shall be responsible for all monthly usage and installation charges incurred for the use of such service and equipment.
- 2.4.1.2 Except as provided in 2.4.2.1, the length of minimum contract period for directory listings and for joint user service where the listing actually appears in the directory, is the directory period. The directory period is from the day on which the directory is first distributed to customers to the day the succeeding directory is first distributed to customers.
- 2.4.1.3 The Company may require a minimum contract period longer than one month in connection with special, non-standard types or arrangements of equipment, or for unusual construction, necessary to meet special demands for service.
