## **SECTION 2 - GENERAL RULES AND REGULATIONS (Cont'd)**

### **2.24 Critical Facilities Administration (Cont'd)**

#### **2.24.3. Carrier Obligations (Cont'd)**

- F. The carrier must establish a secure database or other means that would allow the customer to obtain information of the physical path for only its subscribed circuits, subject to appropriate authentication and authorization. Where practicable, the information should be made available on a 24 hour by seven day basis.

#### **2.24.4 Rates**

Rates for CFA are based upon the time required to collect the circuit path data. The company will give the customer a good faith estimate of the time period needed to perform the requested service. The customer will be billed those charges, along with the tariff charges established by any connecting carrier for the service.

Per Circuit Basis: Individual Case Basis (ICB)
