SECTION 2 - RULES AND REGULATIONS

2.19 Cancellation of Service By Customer

2.19.2 Customer Cancels An Order For Special Facilities Arrangements Before Service Begins (T)

If a Customer (1) orders Service requiring special facilities dedicated to the Customer's use and (2) subsequently cancels its order before Service begins, before completion of the minimum Service period or before completion of some other period mutually agreed upon by the Customer and the Company, the Customer is responsible for all costs incurred expressly on behalf of the Customer by the Company including those costs the Company incurred as an agent of the Customer. If special construction has either begun or has been completed, but Service has not been provided at the time the Customer cancels Service, the Customer is responsible for all construction costs incurred by the Company on the Customer's behalf.

2.20 Termination of Service By Company

2.20.1 The Company may terminate Service to the Customer upon five (5) days' verbal or written notice to the Customer for any condition listed in Section 2.2.6 of this Tariff. If the Company delivers the notice to the Customer's Premises, it will be left in a conspicuous place. When notice is mailed, the notice will be addressed to the Customer's last known billing address and mailed first class or express overnight delivery. The selection of the method of delivery of the notice is made by the Company.

2.20.2 The termination of Service(s) by the Company pursuant to this section does not relieve the Customer of any obligations to pay the Company for charges due and owing for Service(s) furnished up to the time of termination. The remedies set forth herein will not be exclusive and the Company will at all times be entitled to all rights available to it under either law or equity.
