GENERAL TARIFF

MOVES AND CHANGES

D. CHANGES IN TYPE, GRADE OR CLASS OF SERVICE

1. Definitions

Type of service denotes the classification of services into message rate and flat rate (including community service).

Grade of service denotes the classification of services into individual line, port, switched voice grade analog link, two-party line, four-party line and PBX service.

Class of service denotes the classification of services into residence, business (including Public Telephone Service).

2. Rates and Charges

For Rates and Charges, see Section 14.8 of this Tariff.

Issued By: Keefe B. Clemons, General Counsel, 140 West Street, New York, N.Y. 10007 (040114)
