GENERAL TARIFF

CONNECTION, RESTORAL AND CONSTRUCTION CHARGES

E. CONSTRUCTION CHARGES (Cont'd)

4. Pole Attachments

a. General

Annual Pole Attachment fees apply to licenses granted in accordance with the terms and conditions of the Pole Attachment agreement. The full fee will apply to all, with the exception of municipal attachments which are associated with Public Safety. Included as Public Safety would be street lights, fire alarms, police call boxes and traffic control. The full rate will apply to municipalities for non-public safety attachments such as inter-building, school and library communication systems.

b. Rates and Charges

For Rates and Charges, see Section 14.7 of this Tariff.

5. Conduit Occupancy

a. General

Annual Conduit Occupancy fees apply to licenses granted in accordance with the terms and conditions of the Conduit Occupancy agreement entered into by Verizon New York, Inc. and the licensee. Half duct, third duct and quarter duct rates will apply per innerduct occupied, where the licensee's cable is installed within innerduct and where two, three, and four innerducts, respectively are installed within each duct.

b. Rates and Charges

For Rates and Charges, see Section 14.7 of this Tariff.
