GENERAL TARIFF

GENERAL RULES AND REGULATIONS

E. OBLIGATION OF THE COMPANY (Cont'd)

3. (Cont'd)

- d. At a minimum, the Company will offer separate residence plans that include features comparable to or more extensive than those included in the following service offerings: Regional Package, Verizon Local Package, Regional Essentials, Access Line Plus Flat-Rated Local Usage, and Access Line Plus Flat-Rated Local Usage at tariffed Lifeline pricing (Lifeline-eligible customers only). The Company will offer a business plan that includes features comparable to or more extensive than those included in the Solutions for Business offering. The net price of each such plan (inclusive of available credits) will be at or below the price of the comparable tariffed plan (inclusive of the federal Subscriber Line Charge applicable to the tariffed plan), as such price may change from time to time. The price of each such plan shall be posted on Verizon New York Inc.'s website.

Paragraph E.3 of this Section shall not apply where the Company offers such an alternative service as an optional service.

The Telephone Company is authorized to offer the alternative service described in Paragraph E.3 of this Section as its sole service offering in the following areas:

- Western portion of Fire Island
- e. The provisions of this Paragraph E.3 shall be effective only until the Company completes construction of a wireline network in western Fire Island, and service over that network is generally available to all customers in western Fire Island.
