GENERAL INFORMATION

14. Glossary:

The following words and terms when used in this tariff have the following meanings:

Access Controller: A party known to the Company to be in control of access to the metering equipment of a customer, and to have an active account of its own with the utility.

Actual Reading: A meter reading obtained by a Company employee from either the meter or a remote registration device attached thereto.

Aggregation: Receiving, validating and summing day-ahead forecasts for ESCOs.

Annual Period: The 12 Months beginning with the Month in which the Customer first receives service under the applicable service classification. Each succeeding 12-Month period shall constitute another Annual Period.

Applicant:

Residential Applicant: A residential applicant is a person who requests service at a dwelling for their own residential use or the residential use by another person. For purposes of the Home Energy Fair Practices Act (HEFPA), a residential applicant is any person who requests service at a premises to be used as their residence or the residence of another person on whose behalf the person is requesting service, as defined in 16 NYCRR 11.2(a)(3).

Non-residential Applicant: A non-residential applicant is a person, corporation or other entity requesting service from the Company who is not a residential applicant as defined in 16 NYCRR 11.

Residing Applicant: A residing applicant is a person or governmental agency requesting electric service be provided where there is no service currently available, where that service shall be used at a premises that shall be occupied as the applicant's residence, or in the case of a governmental agency occupied as a residence by an individual client.

Non-residing Applicant: A non-residing applicant is developer, builder, person, partnership, association, corporation or governmental agency requesting electric service be provided where there is no service currently available, where that service shall be used in a residence occupied by others.

Appurtenant Facilities:— The necessary and ancillary accessories to an electric line that enables the transportation and distribution of electric energy.

Arrears: Charges for Service for which payment has not been made more than 20 calendar days after payment was due.
