C) Excelsior Jobs Program (EJP)

Service taken under this Service Classification may be eligible for the rates and charges under the otherwise applicable standard service classification rates. For customers qualifying for the EJP, the Monthly Adjustment Clause and the Revenue Decoupling Mechanism (RDM) Adjustment do not apply. For certain adjustments approved by the Commission, a separate credit shall be calculated and placed on the customer's bill. All customers shall be required to pay Commodity, Merchant Function, and Bill Issuance Charges, if applicable, in accordance with the standard RSS or ESS rates for this Service Classification. All customers are also required to pay the System Benefits Charges, Renewable Portfolio Standard, and Temporary State Assessment Surcharge in accordance with the standard RSS or ESS rates for this Service Classification.

METER CHARGES:

The standard rate meter charges are applicable to a customer taking service under this Service Classification.

EJP customers shall be offered two supply service options and charged in accordance with their choice:

1. ESCO Supply Service
2. RG&E Supply Service
