## GENERAL INFORMATION

### **9. General Retail Access**

Street Lighting customers may participate in General Retail Access in accordance with the provisions set forth in Rule 11 (General Retail Access) and elect pricing options in accordance with Rule 12 of Schedule P.S.C. No.19 – Electricity.

### **10. Revenue Decoupling Mechanism Adjustment (“RDM”)**

All customers taking service shall be subject to an RDM adjustment as set forth in Rule 4.k of P.S.C. No, 19 – Electric. An RDM Statement setting forth the rate adjustment will be filed with the Public Service Commission on not less than 30-days’ notice to be effective November 1. Should the Company file an interim RDM Adjustment as described in Rule 4.k of P.S.C. No, 19, such filing will occur on not less than 10-days’ notice. Such statement can be found at the end of this Schedule.

### **11. Rate Adjustment Mechanism (“RAM”)**

#### 1. Applicable To:

The RAM shall be applied per kWh to all kWh delivered under Service Classification Nos. 1, 2 and 3.

#### 2. Calculation:

- a. At the end of each calendar year, the Company shall examine its deferred costs, reserve balances and reliability revenue adjustments.
- b. If the Company’s major storm balance exceeds \$10 million, a Rate Adjustment Mechanism (“RAM”) shall be implemented on July 1 the following calendar year.
- c. For all other regulatory assets and liabilities, if the combination of the Company’s deferred and reserve balances exceeds \$10 million, positive or negative, a Rate Adjustment Mechanism (“RAM”) shall be implemented on July 1 the following calendar year.
- d. The impact of the RAM shall be limited to 10% of the Company’s delivery revenues. Any remaining balance would continue to be deferred and roll forward to the following calendar year’s calculation.

3. A RAM statement setting forth the Rate Adjustment Mechanism shall be filed with the Public Service Commission on not less than 30-day’s notice to be effective July 1. Such statement can be found at the end of this Schedule.
