

PSC NO: 10 – Electricity  
Consolidated Edison Company of New York, Inc.  
Initial Effective Date: 03/01/2015

Leaf: 200  
Revision: 2  
Superseding Revision: 1

## GENERAL RULES

### 24. Service Classification Riders (Available on Request) - Continued

#### RIDER J - BUSINESS INCENTIVE RATE - Continued

##### (F) Applications for Service – Continued

- (6) Applications for Sandy BIR may be made by SC 9 Customers for service commencing under this Rider on or after March 1, 2014, and by SC 2 Customers for service commencing under this Rider on or after July 1, 2014. The application for Sandy BIR must include a letter from the governmental economic development agency certifying to the Company that: the applicant is located in one of the Superstorm Sandy-affected areas; the applicant is a business or non-profit organization that employs fewer than ten people; and the applicant either is a business or non-profit recipient of a City of New York-sponsored loan or grant funded with Community Development Block Grant-Disaster Recovery funds or operates a non-profit organization pursuant to section 501(c)(3) of the Internal Revenue Code.

##### (G) Restrictions as to the Availability of the Rider

Service under this Rider shall not be available as follows:

- (1) to Customers receiving service under Special Provision D or H of SC 9 or Rider Y;
- (2) where service is furnished solely or predominantly for telephone booths, warning lights, bus stop shelters, signboards, cable television and telecommunication local distribution facilities, or similar structures or locations;
- (3) to a building or premises where 25 percent or more of the square footage of the premises is used on a permanent basis for residential purposes, unless (i) the residential space is separately metered or (ii) the Customer receives high-tension service and applies for Rider J as a Biomedical Research Customer, Business Incubator, or Business Incubator Graduate and the load designated for service under this Rider excludes any of the residential load on the premises;
- (4) for public light and power in multi-tenanted residential buildings, or for construction purposes, or for activities of a temporary nature as described in General Rule 5.2.7;
- (5) to residential-type premises where the account is in the name of a non-residential entity, such as apartments for renting purposes;
- (6) to any Customer eligible for service under SC 1, such as a corporation or association organized and conducted in good faith for religious purposes; or
- (7) to retail establishments (i.e., entities that are engaged in the sale of goods or services to end-users, including, without limitation, restaurants and hotels, unless service is being requested for Sandy BIR, sports venues, gaming or entertainment-related establishments, and museums); or
- (8) to energy intensive facilities that generate relatively few new jobs, such as web-hosting centers, data centers and data switching facilities. This subsection shall not restrict the availability of this Rider to energy intensive facilities where such facilities are part of a larger facility used in the ordinary course of business, such as corporate computer centers. Governmental economic development agencies shall have the discretion to allocate power available under this Rider to energy intensive facilities based upon factors other than the amount of anticipated electric demand, provided that a compelling reason to do so can be shown.
