GENERAL INFORMATION

(j) IN PUBLIC AND PRIVATE STREETS:

- (1) The private fire service connection from the main to the property line, including all necessary valves, shall be furnished and installed at the expense of the Company.

18. DISCONTINUANCE OF WATER SERVICE TO NONRESIDENTIAL SERVICE

(a) Service rendered under any application, contract or agreement, may be discontinued by the Company after reasonable notice for any of the following reasons:

- (1) For willful or indifference waste of water due to any cause.
- (2) For failure to protect from damage the meter and connection, or for failure to protect and maintain the service pipe or fixtures on the property of the Customer in a condition satisfactory to the Company.
- (3) For tampering with any meter, connections, service pipe, curb cock, seal or any other appliance of the Company controlling or regulating the Customer's water supply.
- (4) For failure to provide the Company's employees free and reasonable access during normal business hours to the premises supplied, or for obstructing the way of ingress to the meter or any other appliance controlling or regulating the Customer's water supply.
- (5) For non-payment of any account for water supplied, for water service, for meter maintenance, or for any fee or charge accruing under the contract.
- (6) In case of vacancy of the premises.
- (7) For violation of any rule or regulation of the Company as filed with the Public Service Commission.

(b) Written notice of discontinuance of service will be given except in those instances where a public health hazard exists.

(c) No discontinuance of the supply of water for non-payment of bills rendered for service or failure to post a required deposit will be made until either:

- (1) At least fifteen days after written notice has been service personally upon the proper person or persons as hereinafter defined.
- (2) At least eighteen days after mailing written notice in post-paid wrapper to the address of such person or persons, or
